About

Design Chair Sofa was founded in 2003, as a trade mark of Baltacı Orman Ürünleri Ltd. Şti. , establishing itself as a symbol company in the manufacturing of solid wood chairs. With its recent collections the company offers a more modern style and international taste.

Not only chairs, but also tables and occasional furniture for an impressive total look, with stylistic proposals leading to a timeless design. In 1986, wood purchase and sale and production had been started by Tevfik Baltaci. In 1996, Baltaci Orman Ürünleri Ltd. moved to Eregli Cad. No:71 which is now located in there, it was continue also in these years wood trading and production.

The process of today's succeed of Baltaci Orman Ürünleri Ltd. , in its new installation it started to working with Design Chair Sofa trademark. Also in 2003, production of chair and table had been started with the designer Asar Murat Baltacı After years pass by Design Chair Sofa was one step ahead with design outpoint. With the production of new collections in every year it was leader designer and producer Design Chair Sofa embark on the purpose of becoming a global trademark. Beside the market of Turkey, has started to roduce in abroad. From 2005, expanded product range and design, and started to constitude operations in abroad. From 2010, Design Chair Sofa who completed branding operations, embarked on reformer, vintage and innovative style in its all products. By using comfort and technology together in living spaces; colors, fabric and with original methods turned into preferential living spaces.

Our brand "LOX Design", registered trademark of DCS Furniture Marketing INC., focuses on innovation, design, and improvement, and does only have products that are designed by professionals. LOX Design already has great collections on its portfolio, and many more are on the way. The goal is to expand our vision and products in for future.

Air,water and freedom...The basic elements of human life... The line that reaches to the freedom while breaking the bounderies of the past and the future...A courage that combines the past and future...

A perfect balance woven with contrasts... The eternal charm of the legendary beauty that reaches beyond time and space... Two opposite souls met in freedom between old and new...

This, is the extraordinary story of freedom...
